

Canadian comparison chart of regulators and associations for medical diagnostic and therapeutic technologists

(excluding Territories)

Province	Regulatory, association, or both?	Name of Organization	What Specialties do you Regulate or have members?	# of Active Members	# Other Types of Members	Annual Registration Fees	# of CCP/ PD Hours Required	# of Practice Hours Required for Currency of Practice
Alberta 	Regulator with limited member services	Alberta College of Medical Diagnostic and Therapeutic Technologists (ACMDTT)		2380 – currently excluding DMS (some have multiple specialties)	435 163 Associate members 272 students	\$450	24 hours per year prorated based on month of becoming a member	800 hours practiced in a primary specialty 160 hours in a secondary specialty within the most recent five year window.
			Radiological Technologists	1646				
			Radiation Therapists	204				
			Nuclear Medicine Technologists	251				
			Magnetic Resonance Technologists	221				
			Electroneurophysiology Technologists	53				
Diagnostic Medical Sonographers TBC	(800-1200 when regulated)							
New Brunswick 	Both regulator and association	New Brunswick Association of Medical Radiation Technologists (NBAMRT)		646 Total Members (591 Full Practice)	55 20 Non Practicing 3 Senior Members 2 Life Members 30 Student Members	\$215	25 Continuing Education Credits <i>Not necessarily a 1 credit to 1 hour ratio.</i> prorated based on month of becoming a member, maternity leave duration or extended sick leave)	500 hours practiced within the last 5 years for any and all disciplines licenced.
			Radiological Technologists	438				
			Radiation Therapists	59				
			Nuclear Medicine Technologists	55				
			Magnetic Resonance Technologists	7				
			<i>The following are not counted in the numbers above but hold two practice licences</i>					
<i>MRI+Radiography (not counted in above numbers)</i>	46							
<i>MRI+Nuc med (not counted in the numbers above)</i>	5							

Province	Regulatory, association, or both?	Name of Organization	What Specialties do you Regulate or have members?	# of Active Members	# Other Types of Members	Annual Registration Fees	# of CCP/ PD Hours Required	# of Practice Hours Required for Currency of Practice
Nova Scotia 	Both regulator and association	Nova Scotia Association of Medical Radiation Technologists (NSAMRT)		615 (excluding DMS, some MRTs have multiple specialties)	44 student members	\$450	None currently When proclamation of our New Act occurs it will be 30 CDP credits every two years pro-rated for number of months as registrant during reporting period.	None currently only have to have actively practiced in last five years. There will be a minimum # practice hours required when proclamation occurs in both primary and secondary disciplines. Exact number of hours has not been finalized.
			Radiological Technologists	444				
			Radiation Therapists	80				
			Nuclear Medicine Technologists	83				
			Magnetic Resonance Technologists	57				
Diagnostic Medical Sonographers TBC	100-150 when regulated							
Ontario 	Regulatory body only	College of Medical Radiation Technologists of Ontario (CMRTO)		6982	None CMRTO does not have other registration statuses	\$470 + tax (\$531.10)	25 hours of continuing education and professional development per year	It is a condition of registration for MRTs to have competently practised the profession in their specialty within the past five years
			Radiography	4777				
			Radiation Therapy	1058				
			Magnetic Resonance	417				
Nuclear Medicine	730							
Ontario 	Provincial association	Ontario Association of Medical Radiation Sciences (OAMRS)		3635	322 students	MRT Practicing \$468 Non-Practicing \$200 MRT includes membership with CAMRT Sonography Platinum - \$296 PLUS - \$246 Basic - \$196 Out of Province Associate Platinum - \$199 PLUS - \$149	N/A	N/A
			Radiography	2651				
			Radiation Therapy	516				
			Magnetic Resonance	66				
			Nuclear Medicine	337				
Diagnostic Medical Sonographers	65							

Province	Regulatory, association, or both?	Name of Organization	What Specialties do you Regulate or have members?	# of Active Members	# Other Types of Members	Annual Registration Fees	# of CCP/ PD Hours Required	# of Practice Hours Required for Currency of Practice
Quebec 	Both regulator and association	Ordre des technologies en imagerie médicale, en radio-oncologie et en électrophysiologie médicale du Québec (OTIMROEPMQ)	Radiological Technologists	4150		\$ 475	30 hours over a period of 3 years with a minimum of 5 hours per year	700 hours within the most recent five year window.
			Radiation Therapists	677				
			Nuclear Medicine Technologists	503				
			Magnetic Resonance Technologists	Included in RT				
			Diagnostic Medical Sonographers	Included in RT				
			Medical electrophysiology technologists	675				
Saskatchewan 	Both regulator and association	Saskatchewan Association of Medical Radiation Technologists (SAMRT)	Radiological Technologists Radiation Therapists Nuclear Medicine Technologists Magnetic Resonance Technologists	MRT 646	13 Students (10) Associate (0) Restricted (3)	\$355	10 Continuing Education Credits annually	Must maintain a minimum of 1200 practice hours every 5 years or have graduated within the previous three years
British Columbia 	Provincial association	British Columbia Association of Medical Radiation Technologists (BCAMRT)	Radiology technologists Nuclear medicine technologists MRI technologists Radiation therapists	2322 total	Full practice 2017 Student 228 Honorary 11 Non practicing 37 Senior 25 Limited Practice 4	\$120 (BCAMRT only full practice) Student: \$25 Non practicing: \$75 Limited Practice \$120 Senior \$10	None	N/A

Province	Regulatory, association, or both?	Name of Organization	What Specialties do you Regulate or have members?	# of Active Members	# Other Types of Members	Annual Registration Fees	# of CCP/ PD Hours Required	# of Practice Hours Required for Currency of Practice
Manitoba 	Provincial association	Manitoba Association of Medical Radiation Technologists, Incorporated (MAMRT)	MAMRT offers <u>combined</u> CAMRT/MAMRT membership for:	838 Full Practising	Non-Practising 18	2017 - \$315 Total Full Practising combined CAMRT/MAMRT (Dues/PLI/Fee) \$90 = MAMRT Dues 2018 - \$415 Total Full Practising combined CAMRT/MAMRT (Dues/PLI/Fee) \$190 = MAMRT Dues	Not Applicable	None currently. It is a condition of membership to have held Full-Practising status with the past five years.
			Radiological Technologists	687	Student - 34			
			Radiation Therapists	94	Resigned - 1			
			Nuclear Medicine Technologists	50	Life - 3			
			Magnetic Resonance Technologists	77	<u>Resigned</u> Members remain "active" until end of calendar year. Not included in total number of Full-Practising Members.			
				Some members will be represented (above) in more than one discipline.	<u>Life</u> Members are "active". Included in total number of Full-Practising Members.			
Newfoundland and Labrador 	Provincial association	Newfoundland and Labrador Association of Medical Radiation Technologists (NLAMRT)		400	student	\$50 (Will become \$410 once regulated)	7	400* (will become 1000 over 4 years once regulated for primary discipline and 400 for secondary discipline)
Prince Edward Island 	Provincial association	Prince Edward Island Association of Medical Radiation Technologists (PEIAMRT)		104	17 Students	\$105	None that are required	500 hours in 5 years*
			RTMR	7	6 Combined Technologists			
			RTNM	5				
			RTR	74	1 Life Member			
			RTT	18				

* Association hours of practice is a guideline and is not legally enforceable.
