

## Academic Chair, Diagnostic Imaging

At the Southern Alberta Institute of Technology (SAIT), we are the shapers. The makers. The originals, driven by a passion for excellence and impact. We offer action-based learning, solution-focused research and enterprising collaborations with partners from around the world. We are a global leader in applied education, an Alberta Top Employer and a destination workplace for people empowered to make a difference in the lives of students. Now is an exciting time to join this one-of-a-kind place...SAIT.

The School of Health and Public Safety at SAIT prepares students for the work demands of the healthcare sector across Alberta, Canada and abroad. We offer specialized training in diagnostic and therapeutic technologies, professional assistant programs, information management and training for wellness professionals. Our instructors and staff are a dynamic and motivated team of professionals committed to the success of our students and the promise of an industry-ready education.

We are currently recruiting for an Academic Chair, Diagnostic Imaging to report to the Associate Dean – Academic of the School of Health and Public Safety (HPS). The ideal candidate will be an empowering, engaging and collaborative leader who is passionate about faculty, staff and student success. You will provide strong, innovative leadership to continuously improve academic quality, operational processes and procedures to enhance the overall effectiveness in the delivery of the portfolio's programs.

### Job Description

- Work as a contributing member of a collaborative leadership team to strategically manage, grow and strengthen our programs
- Lead academic excellence in the areas of teaching, research, curriculum, credentials, accreditation, articulation and innovation
- Optimize the student experience through management of learner satisfaction, enrollment and internationalization/diversity opportunities
- Develop, maintain, and grow connections with external stakeholders in industry
- Support stakeholder and market focus through new program and growth opportunities and enhancing graduate employment rates
- Work in a collaborative team with other Academic Chairs in the school to manage, grow and strengthen our programs.
- Manage administration requirements, including budgeting, forecasting, recruiting faculty and students, assigning teaching duties, etc.
- Liaise with other internal stakeholders.
- Develop and implement strategies for employee engagement.
- Manage revenues and expenses against budget and take appropriate action to increase revenue and maintain program costs.

### Qualifications:

- Must hold a relevant education in a Diagnostic Imaging related modality. Preference given to a post-graduate degree.
- Minimum of seven years' relevant industry experience in Diagnostic Imaging, including a broad understanding of current and emerging trends.
- Registered with the Alberta College Medical Diagnostic and Therapeutic Technologists (ACMDTT) and the Canadian Association of Medical Radiation Technologists (CAMRT) or be eligible for registration.
- Experience with curriculum development, distributed learning and adult education are considered assets.
- Preference will be given to applicants with experience in teaching or curriculum design at the post-secondary level.

- Demonstrated ability to develop and maintain effective and engaging relationships with students, faculty, academic chairs, support staff, senior executives and industry representatives.
- Excellent communication, presentation, organizational and time management skills.
- Able to work independently and in a team environment.
- Strong interpersonal and communication skills and the ability to thrive in a team environment.
- Additional educational qualifications and imaging credentials/certificates is an asset.
- Equivalent combinations of education and experience may be considered.

**The successful candidate will be required to provide a Criminal Record Check with Vulnerable Sector Check and record of immunizations.**

## **Why Work at SAIT**

Enjoy a stimulating work environment, a beautiful campus overlooking downtown Calgary and a great benefits package including: comprehensive health and dental coverage, a defined benefit pension plan, professional development programs, generous paid time off, free access to our Wellness Centre, transit subsidies and more.

## **To Apply**

Please apply through our online application process at <http://www.sait.ca/about-sait/work-at-sait>

If you have any questions about the role please contact the Talent Acquisition team via [working@sait.ca](mailto:working@sait.ca). Please do not apply to this email address; all applications should be made through our online system.

The position is open until incumbent found.

## **Notes**

SAIT is committed to equity and diversity within its community and invites applications from all qualified applicants.
