

**Medical Radiation Technologist
Casual at Grande Cache Institution**

About the role:

A Medical Radiation Technologist is required to hold up to one 8hr clinic every 2 weeks at a local medium security correctional facility. With on-site general x-ray services, you will be responsible for ensuring the health and safety of the patient while ensuring high quality images are captured for review by an off-site Radiologist.

As part of a wider on-site healthcare team you will be instrumental in ensuring that x-ray services can be delivered to patients within a timely manner. You will maintain proper patient records and monitor supplies

The qualifications:

- Licensed with the Alberta College of Medical Diagnostic and Therapeutic Technologists
- OR
- Licensed with the Alberta College of Combined Laboratory and X-Ray Technologists
 - One year of experience

Type of assignment:

Casual contract

Up to one 8hr clinic every two weeks
