

CALL FOR COUNCIL NOMINATIONS

2023-2026 TERM

Would you like to make a positive difference in public protection and the practice of the professions regulated through the ACMDTT?

Nominations are now open for four Council positions over the 2023 to 2026 term. The College is seeking nominations from members in **magnetic resonance, nuclear medicine** and **radiological** technology as well as **any specialty**.

Council's role

- Ensure that the College carries out its activities in a manner that serves the public interest.
- Ensure compliance with legislated requirements.
- Set the strategic direction of the College, its bylaws and governance policies.

What Council members gain

- An opportunity to impact how the professions serve Albertans.
- Governance training and professional development opportunities.
- Insight and involvement with key statutory committees and Council Workgroups.

The ACMDTT Council consists of six regulated members and six public members appointed by the Alberta government. The newly appointed regulated members will serve a three-year term from July 1, 2023, to June 30, 2026, and their appointment will be announced in December.

Nominate yourself today!

Visit acmdtt.com/nominations for more information and the downloadable application. Submit completed application forms to info@acmdtt.com. Nominations and all related processes are confidential; only names of appointed members are published.

Submission deadline: August 31, 2022

Mission Statement: The Alberta College of Medical Diagnostic and Therapeutic Technologists exists so that the public is assured of receiving safe, competent and ethical diagnostic and therapeutic care by regulated professionals.
