

Third-Party Fees for Internationally Educated Technologists Applying to the ACMDTT

The below fees are *estimated* costs, in Canadian funds where known, as set by external agencies and assessors. Any costs associated with obtaining services or documentation from the organization external to the ACMDTT are the sole responsibility of the applicant. The College is not involved with the setting of any of the fees for any of the services. Additional taxes and fees may also be applied at the source. **Fees are current as of January 2023.**
