Medical Radiation Technologist - Casual - Mobile X-Ray Program

St. Michael's Health Care Services requires a **Casual Medical Radiation Technologist** for our Mobile X-Ray Program. Our Mobile X-Ray service travels to numerous facilities in Edmonton and surrounding communities and uses advanced digital radiography (DR) equipment. Candidates must be graduates of an accredited Medical X-Ray Technology Program, and registered with the CAMRT, and be eligible for registration with ACMDTT. Candidates must be comfortable driving to continuing care facilities in Edmonton and the surrounding area. Valid Driver's License is required.

*While we appreciate all applicants who apply, only candidates selected for further consideration will be contacted

St. Michael's Mobile X-Ray the first with the vision to start Mobile X-Ray services in Edmonton back in 1997. We saw the need in our community for those with various roadblocks and mobility issues. We knew our service would alleviate the high cost and burden of ambulance transportation and long waits in emergency rooms, if we were to come to you. [Inquire Today](#)

We are the pioneers and St. Michael's Mobile X-Ray was born.

We provide complete diagnostic imaging services to residents in Long Term Care, Supportive Living, Assisted Living and Private Pay clients. Services are provided in the patient's/clients room/home, providing convenience, reducing anxiety, possible trauma and emergency room transportation.
