

Peace Diagnostic Imaging

Peace Diagnostic Imaging (PDI) is seeking outstanding Sonographers to join our team - full time and locum positions are available.

For nearly 20 years, PDI has been providing high quality diagnostic radiology to the residents of Northern Alberta and eastern B.C. We are committed to improving lives and communities through excellence in patient care and medical imaging. We are located in Grande Prairie, a young, thriving city full of continuous growth and opportunity with much to offer: from shopping and entertainment to world-class recreation facilities and activities, as well as a regional airport.

PDI is currently expanding the clinic to include a Women's Imaging center opening in February 2021. This will provide tomosynthesis, Automated Breast Ultrasound (ABUS), bone mineral density, and OB/Gyne imaging. We are also undergoing renovations for General Ultrasound/Echocardiography, pain management and fluoroscopy which will be completed in April 2021.

Duties and Responsibilities

Sonography

- Operate medical imaging equipment to efficiently perform diagnostic quality exams
- Use independent judgement and adjust each exam to optimize its diagnostic utility
- Prepare effective exam reports and documentation
- Train and assess student sonographers, as needed
- Participate in accreditation

Patient Care

- Superior communication skills with patients, colleagues and radiologists
- Commitment to patient-centered care and sensitivity to individual needs and concerns
- Ensure patient confidentiality

Teamwork

- Follow department protocols and guidelines
- Work effectively as part of the PDI health care team

Qualifications

- Diploma from accredited Diagnostic Medical Sonography program (or equivalent)
- Active CRGS member of Sonography Canada (CARDUP) with liability insurance
- Criminal and vulnerable sector check
- Current CPR certification

Reasons to choose PDI

- \$50,000 signing bonus to all successful candidates accepting an offer of employment (5 year return of service agreement, paid in two stages)
- Highly competitive wages above and beyond the AHS pay schedule
- Outstanding benefits including medical and dental, life/dependent life, critical illness, long term disability, paid vacation, retention bonus, professional fee reimbursement, paid breaks, Christmas vacation etc.
- Generous professional development allowance. Monthly radiologist/sonographer driven educational rounds
- RRSP matching and Maternity Top Up programs
- Recognition of previous experience
- Moving expenses of up to \$5000.00

Locum Sonographers

- Premium wages: \$65/hour
- Airfare and accommodations provided (minimum 1 week commitment)
